We believe that you will be happiest if you attend a class that matches your level. Nevertheless, you are welcome to attend any class you want. When a class includes students of varying levels, we will teach it at the level for which it is designated. **Please note that the number code indicates the minimum level of experience we believe necessary for you to enjoy the class fully, NOT the maximum beyond which you will find nothing of interest.**

Please help by observing the following guidelines:

1. Help stoke the fire when necessary (i.e., when you feel cold, or when you think about it);
2. Bring wood from woodshed and place it near the wood stove to dry;
3. Rinse your dishes after each meal, and place them in the dishwasher;
4. Do not touch anyone else's guitar without her permission;
5. Use sign-up sheets posted near bathrooms if you want to perform on Saturday or Sunday evenings;
6. Help arrange chairs for evening programs; (we'll tell you what configuration);
7. Discuss logistical concerns with Helene (e.g., not enough toilet paper or firewood);
8. Leave guitar case in designated area;
9. Complete Evaluation Form – leave in envelope near bathrooms;
10. Please tune your guitar before class;
11. Maintain peace and quiet between 11:00 p.m. and 8:00 a.m.. Please jam, play and laugh loudly in Nature Room or at Fire Circle only!
